

The MIDSCI mission is to offer only quality products with dedication to the highest level of customer service delivered with a sense of warmth, friendliness, individual pride, and company spirit.

Job Description

MIDSCI is currently searching for a skilled and passionate team member to join our team. We have an opening for **seasonal summer help** as well as a **full-time Shipping/Receiving/Delivery Driver**. Our company takes pride in offering a fast-paced and team-oriented work environment that encourages growth and learning. We accept applicants with or without prior experience, but having prior experience in a similar role would be beneficial.

A Class E license (*backup driver*) is desired, but not required. The applicant must be able to lift a maximum of 50 lbs., willing to obtain forklift certification, and have excellent communication skills. They must be able to follow instructions with great attention to detail, work well with others and independently, adhere to company policies, and maintain a positive attitude.

We strongly believe that teamwork is the key to success, and we are looking for individuals who share this belief. The applicant must demonstrate a willingness to learn, take ownership of their role, and strive to exceed their targets. If you are passionate about providing exceptional service, have a great eye for detail, and are looking for a challenging yet rewarding role, then we would love to hear from you.

Location: On-Site

Full-time schedule and benefits: M-F 7:30 am - 4:00 pm, health insurance, 401K, profit sharing, paid vacation, personal time as well as paid Holidays.
